Hi Erin:

Thanks for sending the reports. When I talked to my Division Director, he had some specific questions for Tim so I called him. He is writing me some bullet points summarizing the issue that I can forward up the chain. Ex. 5 DP

Ex. 5 DP

I'll try to make sure that you and Jamie are copied on anything we send to Tim. He did forward to me the pictures and case report, etc that he sent to Jamie. The picture of the seed mountain is unbelievable.

Meredith, I wasn't sure if you had access to both sets of sampling information we have. One is from a pile that has been sitting for three years (collected 1/29/19) and the other is even more recent, which we discussed yesterday. That sample came from fresh output of the fermenter.

Ex. 5 Deliberative Process (DP)

Thank you!
